INDIANAPOLIS --- The NCAA and Corrigan Sports Enterprises, will again host a boy's youth tournament during the 2018 NCAA Men's Lacrosse Championships (May 26 - 28) in Foxboro, Massachusetts.

"We're excited to work with Corrigan Sports Enterprises again on this initiative that ties a youth tournament to NCAA championships," said NCAA assistant director of championships and alliances Paula Buckhaultler. "We're continuing to explore possibilities and opportunities that come with hosting youth events in conjunction with the Men's Lacrosse Championships and look forward to creating memorable experiences for the participants, their families and friends."

The NCAA Boys Future Champions Tournament will be played May 27 and 28 at the Payson Road Recreation Complex and Foxborough High School in Foxboro. Each registered boys team will receive 20 tickets with parking included, to the NCAA Division I Men's Lacrosse semifinals and final and have the opportunity to be recognized on the field at Gillette Stadium during championships weekend. Tournament divisions will feature boys teams in the high school graduating classes from 2022 to 2026. All teams will play at least three games, weather permitting.
